## Booster Questionnaire

It takes a lot to run our Band Booster organization. The band programs require leadership, transportation, uniforms, music, training, competitions, choreography, band camp, meals, snacks, concerts, recognition dinners, and regional events! It requires commitment, dedication, and participation by our volunteers. It can be many hours of work if only a few do it but it can be only a few hours of work if many do it. Band parents and band boosters have a huge impact on the success of our band and guard. We invite you to make a commitment now of a small or hopefully large amount of your valuable time to help the OPHS Band Program.

Please let us know where your talents can be used. We are a diverse group and you may have more to offer than you think. Please check any of the following areas in which you can offer assistance.
